

2023 FCDC Shipper Registration Number Registration Form

It is requested that a FCDC Performance Test Registration Number be assigned to the company identified below, in accordance with the requirements and specifications of National Motor Freight Classification Items (Rules) 180 and 181, governing performance testing of shipping containers and furniture for distribution via motor carriers.

The assigned FCDC Performance Test Registration Number must be printed above the Package Certification Symbol, as shown in Section VII of Item 180 and Section VI of Item 181. The FCDC Registration Number is to be printed *only* on those packages that have met the minimum Performance Test Requirements Specified and have been certified by the Freight Classification Development Council (FCDC). The registration number will be effective until the end of the calendar year and renewal notices will be sent out prior to their expiration.

The individual signing below certifies that the required the test procedures of Items 180 and 181 will be complied with and the test report forms will be completed and available on file at:
